Dear Toni,

It's fantastic you are going to visit my country.

It's an amazing place and there are a lot of exciting things to do. The only problem is that it's enormous, so you can't see it all!

I think the best place to go is the south coast. It has a lot of historic villages, with lovely white houses, and there are monuments from ancient time, which you can visit.

It also has some wonderful beaches where you can go swimming and diving, and you can all go on a boat trip to the beautiful islands together.

I hope you enjoy it!

Love,
